All costs associated with maintaining the U.S. content percentage (i.e., shifting additional work to the U.S.) shall be Seller's responsibility and shall not be reimbursed by Buyer. In the event Seller fails to maintain such U.S. content percentage and because of such failure the DSCA suspends or revokes, in whole or in part, its FMF funding approval, Seller shall be deemed to be in material breach of its obligations under this Order and Buyer shall be entitled to return all items previously delivered (including finally accepted items) for full refund of all amounts previously paid by Buyer to Seller with no further Buyer financial obligations to Seller.
14. **PRICE WARRANTY** - Seller warrants that the price or prices set forth herein do not exceed those charged at any other customers (including the U.S. Government) for like articles in the same or similar quantities.
 15. **LIQUIDATED DAMAGES** - The damages that Buyer would suffer as a result of delayed deliveries would be difficult and impractical to determine or anticipate. In lieu of actual damages, in the event of a delayed delivery for reasons other than Force Majeure, Seller shall pay Buyer, as liquidated damages and not as a penalty, an amount corresponding to half of one percent (0.5%) calculated on the contractual price of the delayed item for each day of delay after a grace period of ten (10) calendar days up to a maximum liquidated damages amount of twenty percent (20%) of the delayed Product price, as a reasonable approximation of damages resulting there from. These liquidated damages shall be the sole and exclusive remedy available to Buyer for Seller's late deliveries.
 16. **LAWS AND REGULATIONS** - Seller agrees to perform this in accordance with all applicable local (New Jersey State) and Federal laws and regulations.
 17. **CHANGES** - Buyer may at any time, by written notice, make changes within the general scope of this order, in any one or more of the following: (i) drawing designs of specifications; (ii) method of shipment or packing; and (iii) time and or place of delivery. If any such changes causes any increase or decrease in the cost of performance of this order, and equitable adjustment under this clause must be made in writing to Buyer within thirty (30) days from the date of receipt by Seller of the notification of change. Seller will proceed immediately to make any change as directed by Buyer.
 18. **ROUTING** - On shipment made F.O.B. shipping point Seller will comply with Buyer's routing instructions. Seller shall be liable to Buyer for any loss or increase in expense resulting from deviation from Buyer's routing instructions.
 19. **LAW GOVERNING** - This agreement shall be constructed and interpreted in accordance with the laws of the State of New Jersey.
 20. **PUBLICITY** - Disclosure by Seller of information, or release of photographs or other publicity by Seller in regard to this order or the work hereunder is expressly prohibited without the prior written consent of Buyer. Seller agrees to make no such disclosure or release.
 21. **AWARENESS** - Seller shall ensure that all persons involved are aware of (1) their contribution to product or service conformity; (2) their contribution to product safety; (3) the importance of ethical behavior.
 22. **QUALITY** - Seller shall ensure the following:
 1. **Counterfeit Parts**: No counterfeit parts are to be supplied to Octal, either as a standalone part or incorporated into a part being supplied to Octal. If the seller becomes aware or suspects that it has supplied counterfeit parts, in whole or as part of an item supplied, then the Seller shall immediately notify Octal. Notwithstanding any other provision in this purchase order, the Seller shall be liable for all costs relating to

the removal and replacement of counterfeit parts, including without limitation Octal's costs of removing counterfeit parts, of reinserting replacement parts, and of any testing necessitated by the reinstallation of parts after counterfeit parts have been replaced.

2. Traceability: The supplier shall track and document all raw material, parts, components, special processes and finished goods throughout the manufacturing process of parts and/or service being supplied to Octal. Parts produced to drawings supplied by Octal must be traceable to the manufacturer, batch/lot as well as any additional requirements which may be listed on the PO.
3. Workmanship & Safety: The supplier shall supply parts which exhibit a high level of workmanship. Machined and/or fabricated parts are not to be supplied with burrs or any additional attribute that exhibits poor workmanship and/or inherently is unsafe for handling. Supplier shall implement, and control the processes needed to assure product safety during the entire product life cycle, as appropriate to the scope of work and the product and/or service ordered.
4. Records: Unless otherwise stated as part of the PO, including in statements of work, technical data packages, or any additional integral document, the Supplier must retain all records associated with the purchase order for a minimum of 7 years.
5. Requirements Flow Down: The supplier shall flow down the requirements of this purchase order, including the quality requirements, to its sub-contractors as applicable.
